Job description: We are actively seeking a skilled **Registered Dietitian** to contribute to our team at the **Knox County Health Department**.

We offer *tuition reimbursement* and a *competitive compensation package* that includes a generous paid sick and vacation leave policy, 13 paid holidays, medical, dental, vision, flexible spending, employer paid basic life insurance, supplemental life insurance plans. Knox County also boasts a very rich retirement plan with a 6% match to start and is proud to offer paid maternity/paternity leave. This position may qualify you to apply for *Public Service Loan Forgiveness*.

As an employer of choice in the region, we pride ourselves on creating a positive and *healthy work environment* that prioritizes diversity and inclusion and fosters growth, workplace wellness, and *professional development*.

Purpose of Job: The nutritionist will plan, coordinate, and evaluate breastfeeding programming for the Health Department. The nutritionist will also provide clinical nutrition support to Health Department Clinics.

Essential Functions: The Breastfeeding and Clinical Nutrition Nutritionist is responsible for the following essential functions:

- Breastfeeding support and promotion within the community
- Serve as the chair of the East TN Breastfeeding Coalition, developing relationships with lactation and nutrition professionals.
- Participating in grant writing and grant management responsibilities
- Providing clinical nutrition support for the Centers of Excellence clinic at KCHD

Minimum Training & Qualifications

- Master's Degree in Public Health Nutrition or related field
- Must meet State of Tennessee licensure requirements and maintain status as a Registered Dietitian

- Minimum 1 year of progressive Public Health Nutrition experience, or similar. Any equivalent combination of education, training, and experience which provides the requisite knowledge, skills and abilities may be considered for employment into the position.
